Washington State Department of Transportation

Please rank the following items from 1 to 10 with "1" being most important to the state transportation system:

__ Keep asphalt pavements in good condition
__ Preserve and make improvements to ferry terminals
__ Retrofit bridges for protection against earthquakes
__ Expand urban park-and-ride lot system
__ Purchase new auto or passenger-only ferries to replace obsolete vessels
__ Fix pavement on I-5 and I-90
__ Correct high accident locations and high accident corridors
__ Fix bottlenecks on Interstates for freight access and reliable travel times
__ Complete Puget Sound HOV system
__ Increase highway capacity to accommodate more traffic and ease or forestall gridlock

Please circle the response below that best describes your opinion:

1. Current transportation funding is adequate to meet the state's needs.

Strongly Agree   *Agree*   *Disagree*   *Strongly Disagree*   *Don't Know*

2. Traffic congestion is hampering Washington's economy.

Strongly Agree   *Agree*   *Disagree*   *Strongly Disagree*   *Don't Know*

3. The Washington State Department of Transportation must justify how it has invested in transportation infrastructure before it deserves more money.

Strongly Agree   *Agree*   *Disagree*   *Strongly Disagree*   *Don't Know*

4. The state should better maintain existing facilities before building more highways.

Strongly Agree   *Agree*   *Disagree*   *Strongly Disagree*   *Don't Know*

5. A greater emphasis on mass transit should be a major part of any transportation improvement plan.

Strongly Agree   *Agree*   *Disagree*   *Strongly Disagree*   *Don't Know*

Please provide input on what you think the Transportation Commission should do:

_____ Recommend budget cuts for:
     ___Maintenance and operations
     ___Preservation (paving program)
     ___Safety projects
     ___Congestion relief
_____ Use existing funds for:
     ___Maintenance and operations
     ___Preservation (paving program)
     ___Safety projects
     ___Congestion relief

_____ Encourage new funds for:
     ___Maintenance and operations
     ___Preservation (paving program)
     ___Safety projects
     ___Congestion relief

Briefly describe your reaction to "Straight Talk About Transportation."
